

## Our core competence ...

- ▶ One/Multi Axis Positioning
- ▶ Drive Synchronization
- ▶ CAN & EtherCAT Networking

## Our products ...

- ▶ Positioning/Synchronizing Modules
- ▶ Servo Amplifier
- ▶ Danfoss Frequency Converters & Accessories

## Your Drive Engineering Partner.

## ... aligned to your application.

- ▶ **Labeling**  
Synchronization of the label feeding to the flow of goods.
- ▶ **Winding**  
Synchronization of the traversing with the speed of the material (ribbons, wire).
- ▶ **Pump Control**  
High precision control of the flow rate and quantity.
- ▶ **Storage**  
Cart positioning in automated racks.
- ▶ **Positioning**  
X/Y-positioning of probes in analyses units.
- ▶ **Feeding**  
Synchronously feeding of components
